Research is being undertaken as part of (tick one):

- Bachelors(Hons) degree Ongoing academic resear
 Masters degree National/international stu
 Doctorate Post- Doc
 Other (specify)

Are you currently employed in the Diocese?

Yes No

If appropriate to your research project, specify how you intend to obtain parental approval with students in our schools and include examples of permission letters. *A copy of this/these letters must be included with the proposal.*

Provide details of procedures for establishing confidentiality and procedures for protecting privacy of the participants including information management practices. Information should only be collected for the purpose of this research application. Any subsequent use of information must be clearly outlined in your application and must have ethical approval from a university committee.

List the schools or groups that will be requested to participate in the research. Include the name of the school and the suburb.

Indicate the period of the year during which the research activity will commence and be concluded. Also indicate the estimated amount of time required of the school and any individual participants in the research.

A letter outlining the nature of the research must accompany approaches to school principals seeking approval to conduct research. This letter should indicate the commitment required of school staff.

A copy of this letter must be included with the proposal.

Checklist before submission of application
